Parents Wanted

Parent Teacher Conferences are next week!!

K-3 Teachers are meeting with parents throughout the week.

For grades 4-6, conferences will be held on

Tuesday and Thursday night from 4-7 pm.

I cannot express how important your role is in your child's education. Our success with your child is a direct reflection of your hard work and support. We cannot do this without you: reading with your child, helping with homework, listening to the stories of their day, making sure notes get back, packing lunches, making sure they get a good night's rest and healthy meals, giving hugs, kisses, and encouragement, etc. The list goes on because that is what we do as parents; all we can to help our children succeed and feel good about themselves. We appreciate each of you and your efforts.

We would also like your input in to how we are doing. Last year, we asked parents to complete an on-line survey to give us your feedback. We had less than 15% of parents complete the survey. We would like to offer this opportunity again. You can access the link through our school website: www.cpschools.org on our Elementary Home Page or type in: <https://spreadsheets.google.com/a/sjicisd.org/viewform?hl=en&formkey=dExXNkM2RFVKNV9DenpYVnhPMmNQeHc6MQ#gid=0>. We will also have the computer lab available during conferences if you would like to take a few minutes to complete it there.

Your commitment to work with your child, your child's teacher and our supportive staff is what makes our school the amazing school family and community that it is. *Thank You, Becky Stauffer*

November

CHRISTMAS BREAK

PAC Family Dance

For a Fun Night of Family Entertainment, please join us Friday night November 11th from 7-9 pm for our second annual Family Dance. Last year over 50 families came to enjoy the time together. Let's see if we can beat that this year. It is \$6.00 at the door for the whole family.

Music by Pure Energy

Thank you to our Centreville Agricultural CTE Class and our Elementary PAC for another wonderful Fall Festival. The students had a great time and learned a great deal as well. They enjoyed the games, animals, and the pumpkin popcorn. The event is an excellent opportunity to watch our high school students be excellent examples for our young people. Check out our website for pictures.

Elementary Book Fair Next Week!!!

Monday thru Friday: open school hours and during conferences

Greetings from the Counseling Office: I can't believe Christmas is just around the corner, and parents everywhere will start to think about buying gifts for the family. For several families, thinking about buying gifts is out of the question, because there is no extra money to spend. The staff at Centreville Elementary, with your help, would once again like to help our families in need. Children everywhere are anticipating something under the tree. There will be many families that will not be able to give their children a gift on Christmas Day. This is not only heartbreaking for children, but for their parents. For the fourth year in a row, we would like your help with our annual Angel Tree. **Detailed information about donating gifts came home with your child(ren) today.** On December 15th, Centreville Elementary parents, that would like a little extra help, will be invited to come to the elementary all purpose room and choose a gift for their children. Our goal is to have every child in the school wake up on Christmas morning to a gift under the tree. Thank you for your help.
Mrs. K.
