

## Centreville Public Schools

### **Professional Development Plan for Teacher Evaluation tool on the Thoughtful Classroom**

#### **Background:**

All elementary administrators evaluating teachers were trained in The Thoughtful Classroom in August of 2013, at the St. Joseph County Intermediate School District. Centreville Public School teachers were trained in August of 2015 by their building administrator and ongoing professional continued in 2015-2016 school year and the 2016-2017 school year.

Junior and Senior High School Teachers were trained in The Thoughtful Classroom in August of 2015 by the former Principal. The new Junior/Senior High School Principal, Matt Hawkins was trained in the thoughtful classroom during the 2016-2017 school year and provided ongoing training to the teachers regarding The Thoughtful Classroom over the course of the school year.

#### **Ongoing Professional Development:**

Each year, new staff are trained in Thought Classroom through the Intermediate School District and other local trainings scheduled by Silver Strong and Associates as well as their building administrator, and/or instructional coach.
