

GETTING TO KNOW YOUR MENTORS

Freshmen Mentoring Program

Volume 1, Issue 1

And Here's Haley Schlabach!!

Haley hails to us from Sherman Township.

AS A FRESHMAN:

Haley had an embarrassing incident with classmate Dan Monahan. In gym class, he kicked her right in the head with a soccer ball. He was only 15 feet away! When she was a freshman, she did get some good advice that she would like to share with the freshmen. She said that she was told to work on her school work first and that if you do so, you'll feel so relieved that it's done and over with.

In answer to the question, *What do you know now that you wish you knew as a freshman?* She answered, "Never be afraid to be yourself. Don't try to be like someone else. People will accept you for who you are."

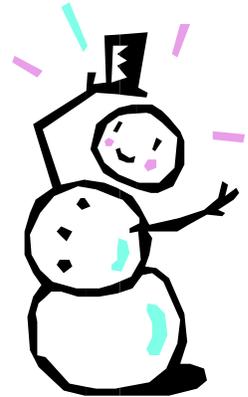

WHO IS HALEY TODAY?

Haley wanted to be part of the FMP because she wants to help the new freshmen have a smooth transition into high school. Her favorite part of being part of the FMP is getting to know the new freshmen. She is a mentor in Mr. Collins' AC and she thinks that her mentees are all very nice. She states, "My AC is nice and quiet—a great environment to get work done."

When she graduates, Haley plans on going to the Texas Honor Academy, a Christian place where she plans on studying acting.

Junior Haley Schlabach
