April 22, 2020

Seniors and Parents/Guardians of Seniors:

The Centreville Class of 2020 is a special group of students. Together they have achieved a great deal and have defined what it means to be a Bulldog. This class has set the standard of Bulldog PRIDE through its commitment to each other and our school. Our seniors have played a vital role in the numerous achievements and successes our school has experienced over the last four years. They have overcome the challenges associated with high school, met the requirements needed to graduate, and deserve to be recognized through the events our school community holds dear.

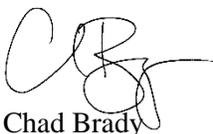

COVID-19 has dramatically impacted our way of life, and school districts throughout the nation are seeking ways to move forward within the social distancing restrictions set forth at the state and federal levels, designed to ensure safety and prevention. This presents numerous challenges for the events we are accustomed to holding for our seniors. Despite these challenges, we remain committed to providing these school-sponsored events, or a variation of them, pending the status of COVID-19. The circumstances we face require unique solutions to ensure the events our seniors expect are provided.

The week of Sunday, July 19th has been designated as *Senior Week*. Throughout the week we will hold school-sponsored senior events. How we operate, plan, schedule, and host these events will depend on the guidelines and restrictions at that time. It will require developing multiple plans and we ask for your patience and support regarding the specific details for each.

Event	Date	Location/Details
Prom/Or similar event	Sunday, July 19th	Rim and Rail (tentatively)
Senior Awards	During the week	TBD
Senior Tea	During the week	TBD
Senior Picnic	During the week	TBD
Graduation	Sunday, July 26th	TBD

Our seniors have met their responsibilities. As a school community, it is our turn to meet ours. On Thursday, April 30 I will be hosting a virtual class meeting for seniors and on Friday, May 1 for parents/guardians. If you are interested in taking part in the parent/guardian virtual meeting, please email me for details. Please know that the intent of these meetings is to review the information included in this letter and to identify individuals that have an interest in helping out with these events. I look forward to talking to you soon and working together on behalf of our seniors.

Sincerely,

Chad Brady
Principal, Centreville Jr./Sr. High School
