February 27, 2022

Good afternoon.

On February 25, the Center for Disease Control (CDC) ended its requirement of mask-wearing on buses or vans operated by public schools. Beginning Monday, February 28, Centreville Public Schools will do the same. Students/staff will no longer be required to wear a mask on school buses or vans.

As always, the health and safety of everyone is our top priority. Masks will continue to be available on our buses and at school for those that would like one.

Sincerely,

*Chad Brady*

Chad Brady  
Interim Superintendent  
Bulldog P.R.I.D.E.
